## Reserve Timeline for the June Bid Month

MEC Reserve Committee

May 12, 2021

If awarded or assigned a Reserve line for the June bid month, there are various scheduling request deadlines and processes that occur during the period between bid awards and through the first week of the new month. While some of these events occur on the same calendar days each month, there are a few that are based on when the new Flight Attendant bid month begins, which may vary from month to month. For your convenience, we have compiled a Reserve bid month timeline detailing these items in both calendar and list formats.
