

Unitedafa.org website – Benefits – Maternity Resources

ADD:

‘Maternity Documentation’

Hyperlink to Flying Together< My work< Inflight Administration (FAST)

‘There you will find the following documents:

- *Flight attendant job description* – necessary to take to your Health Care Provider for review.
- *Medical certification for pregnant flight attendants* – necessary to be completed by your Health Care Provider, required at the 28th, 30th, and 32nd weeks of pregnancy as well as every week thereafter.
- Information on Maternity, Adoption and Parental Leaves of Absence.
- Refer to *Family Medical Leave* in the Benefits section of this website for an application and additional information on Family Medical Leave.
- Birth Announcement Form.
- Contact your Local Council if you need further information.’
